

include/main.h

```
graph TD; A[include/main.h] --> B[iostream]; A --> C[string];
```

A diagram illustrating a C++ header file's dependencies. At the top, a gray rectangular box contains the text 'include/main.h'. Two dark blue arrows originate from the bottom center of this box and point downwards and outwards to two separate white rectangular boxes. The box on the left contains the text 'iostream' and the box on the right contains the text 'string'. Both boxes have a thin gray border.
