

config::config

```
graph LR; A[config::config] --> B[createLogBinning]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text 'config::config'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right. This second box contains the text 'createLogBinning'.

createLogBinning
