

include/energyMatch.h

```
graph TD; A[include/energyMatch.h] --> B[iostream]; A --> C[vector];
```

A diagram illustrating a C++ header file's dependencies. At the top, a gray rectangular box with a black border contains the text 'include/energyMatch.h'. Two dark blue arrows originate from the bottom center of this box. The arrow on the left points diagonally down and to the left, ending at a white rectangular box with a gray border containing the text 'iostream'. The arrow on the right points diagonally down and to the right, ending at a white rectangular box with a gray border containing the text 'vector'.
